#### AWARDS

#### TASTING

Fresh red fruit nose combined with light floral notes. Mouth with medium acidity and soft tannins that give it medium persistence and a medium-long finish. Harmonious and easy.

Ideal for red meat dishes and pasta with tomato sauce. Serve at a temperature of 16-17°C.

#### VINIFICATION

Total destemming, vinification in stainless steel vats with temperature control at 26°C and 2 daily delestings. 4 months in French oak.

#### HARVEST

The wine year 2017/2018 was an atypical year from a climatic point of view. Cold and dry winter, cold and extremely rainy spring, and summer in a first phase, cold and rainy and in a second phase hot and extremely dry. With a later sprouting, the occurrence of precipitation throughout the cycle allowed a good vegetative development allowing a good recovery of the vineyard, in view of the 2017 water stress.

With good productive potential, climatic instability had a significant impact on the reduction of this potential, either by the action of downy mildew in June and July, or by scalding and dehydration in August. The harvest delayed 10 days but it provided high quality musts, with high levels of sugar, acidity and phenolic compounds.
