ACIDITY _____ 4,5 gr/L
RESIDUAL SUGAR _____ 0,9 gr/L

CLIMATE

With continental influence and summers very dry and hot.

SOIL

Red limestone soils.

WINEMAKER

Paolo Nigra

TASTING

Open and bright colored wine, lemon tint. In the aroma, the intensity and playfulness of style predominates. Aroma of immense fruit, full of tropical suggestions, apricot and white plum. In the mouth, it has medium body, velvety, soft but with immense freshness, with the fruit taking precedence. Tropical suggestions maintain their presence, combined with citrus tones and refreshing vegetable modulations. Very harmonious and proportionate. Tasty, consistent finish with distinct persistence. Ideal with mussels with fennel, chicken breast stained with lemon, couscous with vegetables, fresh cheese. Serve at a temperature of 8°C.

VINIFICATION

As it is intended to produce a young white wine, favoring fruit and freshness, the harvest was done manually to obtain and select the best fruit. The grapes were destemmed in order to avoid more bitter flavors, with fermentation taking place at a low temperature (13°C to 15°C), in stainless steel vats, to slowly extract the most delicate aromas and flavors, having remained 1 year with fine lees, to enlarge the texture and velvety surroundings.
